NEWARK WESLEYAN INSTITUTE

FOR  AND
MALE FEMALE

EDUCATION.

SIDERA CHASE, M. A. Principal,

Assisted by twelve thorough and accomplished Teachers,
Male and Female.

This Institution is located between High and Shipman streets, near the corner of William. The entrance for ladies is from Shipman street. Gentlemen enter at the western front on High street.

The N. W. Institute combines the advantages of both a Male and Female Academy, located under the same roof, subject to the same government, and taught by a joint Faculty.

It embraces two distinct suits of rooms, on opposite sides of the edifice, connecting only at the Principal's office, the Recitation rooms, and the Chapel. Young gentlemen and ladies only meet in the presence of their teachers; their study rooms being entirely separate. Young Ladies have the double advantage of studying under the supervision of Female Teachers, and of hearing the Lectures and receiving the instructions of the gentlemen Professors, in the sciences and languages.

The Male and Female departments are each classified in three divisions, viz:—*Primary, Middle, and Academic.* Each division is subdivided into grades, according to the advancement of Scholars.

COURSE OF STUDY.

Reading, Spelling, Defining, Elementary, Geography, History, and Arithmetic, Philosophy of common things, Linear Drawing, Composition of Sentences, Vocal Music.

GENERAL INFORMATION.

The edifice of the N. W. Institute is new. No pains or expense has been spared in its construction, to render it complete in its adaption to scholastic purposes. Its site is unrivalled for beauty and healthfulness.

Unwearied efforts are made by the Teachers to establish pupils thoroughly in the elements and fundamental principles of whatever they study, and also to habituate them to a prompt and elegant expression of the ideas they may acquire. Constant demonstrations on the black-board, and frequent reviews are therefore practised. For further particulars, see the Annual Catalogue and Circular of the Institution.

Organized 1803—49 years ago.

~~~~~

This Society was formed in 1803. An annual sermon has been preached by some one of our Clergymen, and a collection taken in aid of the Society, which together with donations from other sources, has enabled the Society to *ameliorate* the condition of thousands of suffering poor in this city.

The total amount received from November 14, 1850 to November 14, 1851, was        -        -        -        -        538 45

And the number of families assisted, (more or less)        147

The last annual sermon was preached the 11th of January, 1852, in which the claims of the Society were ably, feelingly, and forcibly presented by Rev. Dr. HAGUE, from Psalm 41:1. "Blessed is the man that considereth the poor;" in the First Presbyterian Church on Sunday Evening.

## PROGRESSIVE GROWTH OF OUR CITY.

MR. B. T. PIERSON, Editor of the Newark Directory, politely furnishes us (Newark Daily,) with the following table, showing the growth of our population during the last twenty-five years; in which period it appears to have nearly quadrupled—and that too by those regular gradations that indicate a sound and wholesome progress. There is, in truth, nothing forced or factitious in this remarkable growth. The prosperity rests upon the surest of all possible grounds—steady industry and sound morality. At the present rate of progress—and we see nothing that is likely to check it—the population must approach at least an hundred thousand within another 20 years.

# CLINTON MUTUAL INSURANCE COMPANY,

Office, 115 Market Street, (Library Hall Buildings,)

NEWARK, N. J.

*Chartered March 7th, 1848.*

The advantages peculiar to this Company are the following :—

*First.* This Institution is strictly mutual in its character, and its benefits are confined to the insured.

*Second.* Every person insured becomes thereby a member of the Company, and has a voice in the election of its Officers, and in the management of its affairs.

*Third.* No policy is issued for a greater sum than Three Thousand Dollars where the whole amount is exposed to one fire, nor for a cash premium of less than Two Dollars.

*Fourth.* Insurances on property of a less hazardous character may be effected at lower rates of premium than in any other sound Company in the State of New Jersey.

*Fifth.* All property of a specially hazardous character is excluded.

*Sixth.* No more cash is required to be paid into the Company than is competent to pay the losses of the Company and its current expenses.

*Seventh.* Should a greater amount of cash be paid into the Company than is required to pay its losses and current expenses, the surplus will be refunded to the members of the Company. To accomplish this, Scrip will be issued on all Policies that shall have subsisted five years successively, which will represent the entire amount of cash premiums paid into the Company during that period by the insured, and be entitled to such dividends as the business of the Company will be able to declare.

*Eighth.* On first class property a saving of fifty per cent. on the standard rates of the best Stock Companies may be realized, by the insured embracing the advantages presented by this institution.

## PIERSON'S NEWARK CITY DIRECTORY,

FOR THE  
77th YEAR OF AMERICAN INDEPENDENCE,  
FROM 4TH JULY, 1852.

*Important observations to those using this Work.*

Throughout this Directory, the Christian names of those where there are more than one of the same surname, are carefully alphabetically arranged, male and female, firms, &c. In searching for a name, the inquirer must know the proper spelling. For example, a person seeking for—Pirsson, will not find the one sought for if he looks in the names of Pierson; so, also, for Bonnell, he should not look among the Bonnells; and for Conger, not in Congar; and for Parcels, not look in Parsals, Parcells, or Parsil; nor for Hays in Hayes.

## ADVERTISEMENT.

This, my eighteenth edition comes forth in good and reasonable time, notwithstanding the labor and expense is greatly increased yearly, without a corresponding increase of sales. Last year 900 copies cost \$560, this year 950 copies will cost \$620. Items as follows, viz:—Paper \$101 75, Binding \$90, Printing \$275, Canvassing \$60, Selling and Collecting \$60, Maps \$18, Advertising \$10, Expressing \$5, Total, \$619 75, from which it will not vary \$10; so that any man of sense will see the propriety of advancing the price. There have been built during the year over five hundred Buildings of various kinds, among which are five Churches, viz:—Central Presbyterian, 158 Washington st., Rev. Geo. C. Lucas, Pastor; Mulberry street, Chapel, (*City Mission*), 248 Mulberry st., Rev. S. B. Goodenow, Pastor; 1st Methodist, 54 Halsey st., Rev. E. H. Stokes, Pastor; 7th Methodist, Warren st., corner Wilsey, Rev. G. R. Snyder, Pastor; 2d Universalist, 84 Halsey st., Rev. J. H. Farnsworth, Pastor; and notwithstanding the large number of buildings erected yearly, there is yet a scarcity for the rapid increase of population. I have had fifty new streets added to my city map, among which are those of Smith and Allings, Thomas V. Johnsons, Winslow L. Whiting, Charles N. Buck, William Rankin, and others, and fifteen streets extended. I have *also* been at the expense of coloring the Wards on the Map, which will be found a great improvement and convenience. My paper is \$5 per ream and weighs forty pounds, and taking all things into consideration, it is the best book of my eighteen. The names, (*I think*), have been well collected as they can be, until people learn to give their names like *honest* men. All I want to know of any man is—that he refuses to have his whereabouts known—to *all* such beware.

I gave three different notices in the *Daily Eagle*, and *Mercury*, of what I was about to do, and for *all* interested to attend to their business, in regard to alterations, removals, new doctors, nurses, streets, &c., dated November 25th, 1851, January 28th, 1852, and February 24th, 1852, so that if anything should be wrong I want no *Lip*, or abuse from any one. The Post Master and others have found fault with me for not getting all the names for 18 years—and I think they always will—I collected *all* the names 1847 and were well canvassed, and still the complaint was the same. In conclusion I will say, if this Directory is not *well* received, and paid for on delivery, it will be the last the citizens may expect from me.

May 12th, 1852.

B. T. PIERSON.
